MoMAG CONGRATULATES HON. CASSIEL ATO FORSON

Accra, Ghana, January 23, 2025

We warmly congratulate Hon. Cassiel Ato Forson on his appointment as Minister of Finance.

On behalf of the Mobile Money Advocacy Group Ghana (MoMAG) and its leadership, we welcome him and assure our support.

We were impressed by his vetting performance, particularly his commitment to addressing the challenges facing the mobile money industry. We note with optimism his promise to eliminate the Electronic Transfer Levy (E-Levy), which has significantly impacted our business operations.

We hope that Hon. Ato Forson will prioritize the elimination of the E-Levy and work tirelessly to create a conducive environment for the growth and development of mobile financial services in Ghana. We stand ready to engage with him and his ministry at any level to support the removal of the E-Levy and promote the interests of our members.

We look forward to working closely with Hon. Ato Forson and his ministry to achieve greater heights for the mobile money industry.

Thank you
